### DANIELSON

Mr. Ignatius Kost, an alumnus of the University of Louvain, has been invited to be a guest Wednesday next at the Belgian consulate in New York and to meet General Baron Jacques, the distinguished Belgian warrior and representative of the Belgian government who is now in this country. Father Kost, who is pastor of St. Joseph's parish at Dayville, was in Boston, Monday, in company with Rev. Augustin Chapin of St. James' church, to see Marshal Foch, Sunday at Providence. Rev. John Roux and Rev. Joseph Mousier of St. James' parish personally met Marshal Foch when he greeted a large group of clergy assembled in that city.

At Quabbin lake, Herbert C. Keach is making repairs to his ice house preparatory to the harvesting of next winter's crop. In one house now it is to be put in another repair made. The ice harvested last winter has been for the greater part disposed of, allowing of undertaking the repairs that must precede the refilling of the house.

The Danielson Trust company has announced the opening of a savings department. This is Danielson's newest banking institution, which was organized in 1916, and which has met with unusual prosperity and has quickly grown into an institution of recognized strength and security. The establishment of this savings department counts out his preparedness to transact about every common form of banking business and is put into effect to meet an insistent demand from the people here and in surrounding towns.

More "Jakes" raids are promised for this town unless there is prompt recognition of the fact that Jamaica ginger is now classed as an intoxicating liquor and that carrying in stock of having possession of quantities of it is construed by the courts as keeping with intent to sell. Permits issued by the state, in January of this year or at any later period, are no protection against prosecution. The permits became null and void when a new state statute became effective in July. Warning is issued that carrying Jamaica ginger is on a par with carrying any intoxicating liquor in stock and that the old statute upon arrest and prosecution are the same.

This fact has not been sensed or is being ignored in some quarters here in Killingly and officials are again warning that more raids are to follow close upon those of last week unless this situation is immediately cleaned up.

Slippy R. Baril was resting comfortably at the Day Kimball hospital in Putnam during Monday. There has been little material change in his condition during the past few days, although there closely in touch with the case have felt more encouraged of late. Mr. Baril, injured two weeks ago, was taken Thursday morning in an automobile accident on the Broken Road, has not as yet undergone any operation for the fracture of the skull that was one of the injuries sustained in the accident.

Pittsburg, Pa.

"No matter what I should say about Tanlac, it wouldn't be half good enough," said Mrs. Mary Wilhelm, 716 Mint way, South Side, Pittsburg, Pa. "I never dreamed it possible for a medicine to restore me to the splendid health I now enjoy. In fact, I had almost resigned myself to being an invalid, as I could see I was losing weight and strength every day, and no relief was in sight. For three years stomach trouble, headaches and nervousness made my life miserable."

"The first bottle of Tanlac acted almost like magic and it wasn't long until I was so well and strong that I could hardly realize I had ever known a sick day. I am like a different person in every way now, eating, sleeping, feeling and looking better than in years."

Tanlac is sold in Norwich by National Drug Stores Corp. and Tattville Pharmacy, and in Plainfield by F. L. Mercher, Charles R. Carey, Jewett City, Conn.

## DOES IT HAVE TO TAKE PHYSIC

### "Fruit-a-lives" Brought Complete Relief

Assured, New York. I tried several kinds of physic for over three years and, of course, while I took it every night my bowels would move; but as soon as I stopped taking physic, I would be Constipated and would have Piles terribly.

I bought one box of "Fruit-a-lives" and took them. Now I am not troubled any more with Constipation or Piles. "Fruit-a-lives" or "Fruit Laxo Tablets" left no after-effects and now I do not have to use physic.

Mrs. JOHN CAPOZZI. 500 a box, 6 for \$2.50, trial size 25c. At dealers or from FRUIT-A-LIVES Limited, OGDENSBURG, N.Y.

July and classing Jamaica ginger as an intoxicant that the permit was valueless. He was fined \$10 and costs, amounting to \$24.11. The "Jakes" seized in the raids is to be destroyed by the police.

George French, an ex-serviceman, was fined \$1 for not having his registration certificate and \$1 for being without his operator's license, with costs of \$2, at the time his car was in a collision with another machine near the corner of Main and Pomfret streets last Friday morning.

Walter Frink of Moosup, operator of a truck owned by the United States Finishing company of Sterling, paid a fine of \$5 and costs of \$2 for operating in this city one day last week with an "O" registration on a machine being used for commercial purposes. The fine was paid.

It appeared from the testimony in court that Wolf was proceeding eastward along the Chenatchet road near what is known as Turner's Hill last Saturday afternoon when the Greene machine came along behind him and signaled for the right to pass.

Occupants of the Greene car said that Wolf crowded them over toward the left side of the highway repeatedly when they attempted to pass and that their machine finally was ditched because he failed to give them half the right of way.

George Carlson of North Grovesend reported to the police that early Sunday evening while he was driving his car in Front street that the 9-year-old car of Mr. and Mrs. Henry Mayhew of Lyon street was knocked down by the machine.

Carlson said that the Mayhew girl and three others, holding hands and walking abreast, were crossing the street as his car came along. When he sounded the horn of his machine as a warning two of the little girls promptly ran for the sidewalk.

The Mayhew girl, the police are told, started for the sidewalk, then hesitated and turned back and was hit by the car. She was picked up by Carlson and taken to the office of Dr. J. J. Russell. An examination revealed no injuries and Carlson then took the child to her home.

Mrs. and Mrs. Robert Brown were injured, Mrs. Brown seriously, when the car in which they were coming toward Putnam, near Chenatchet, threw a front wheel Sunday evening and ditched the vehicle. Mrs. Brown was thrown out of the machine and sustained a fracture of the jaw and a fractured arm. She was taken to the Day Kimball hospital.

Mrs. Brown was quite seriously shaken up and bruised. The car which was riding in the car, was not injured.

Francis Dumas, for 69 years a resident of what is now Putnam, is dead at the Dumas homestead here, having passed away Sunday morning. Mr. Dumas was a native of Sorel, P. Q., and came to Putnam in 1852. He had resided here since and witnessed the development of this city from a straggling hamlet. Mr. Dumas leaves 10 children—Frank, who is an attendant of streets of this city, Josephine, who is a dressmaker, Eugene, Henri, Alphonse, Mrs. Victoria Morin, all of this city, Mrs. Sophronia Paul of West Gloucester, R. I., Mrs. Corbelle West Gloucester, R. I., the Sawyer district of New York.

Mrs. Dumas was one of the oldest residents of this city, being 82 years of age, and was one of the first French-Canadian families to locate here.

Capt. J. S. Whitehead, Jr., of this city and Pomfret, is delivering lectures in current history and events at Pomfret school this fall and winter, giving one lecture each week. Captain Whitehead is delivering a like series of lectures at Mrs. Mayhew's school in the city.

Funeral services for L. O. Williams were held Monday afternoon at the Second Congregational church, where he had been organist for many years. The services were conducted by Rev. John C. Scott, pastor of the Baptist church in the city. Some of those who assisted having been members of choir years ago under Mr. Williams. The bearers were J. Fredrick, John Walker, Dr. H. W. Sharpe, J. H. McCullough and Alvin King. All members of Israel Putnam lodge of Odd Fellows. Burial was in Grove street cemetery.

Few in this city are able to match the record of Narcisse LaCroix in long years of service in one line of industry. Mr. LaCroix has been employed at what is now known as the Manthaus Manufacturing company's plant for the past 48 years, going to work there when he was a boy of tender years.

Mrs. Arthur S. Macdonald and her sister, Miss Annie Macdonald, have been guests of friends in New London.

Constable John Kennedy reported to Captain Bulger of the local police Monday morning that he was holding at Monday morning a badly battered Webster man who had told that he was being taken by two companions when he came to the city with them to get liquor, and that after beating him they robbed him of his money. Captain Bulger was investigating the affair Monday afternoon with a view to making arrests if possible.

Progress is being made on the roll call drive of the Putnam chapter of the American Red Cross, which will cover not only this city but all of the surrounding territory, and is to be concluded during the coming week.

The wife of Mr. Sarah Dunn Cushman, who died of diphtheria, was brought to Pomfret for burial. Mrs. Cushman was the daughter of Mr. Cushman and the wife of Mr. Cushman. She died in the Sibley hospital at Washington, D. C. Mrs. Cushman was in her 55th year.

Raids and prosecutions for stock possession of Jamaica ginger in stocks of goods is impressively calling the attention of dealers who are handling it that the preparation is now classed as an in-

Exhibiting liquor and that the risk of carrying it in stock is a dangerous one. This is children's book week at the public library—a period during which it is hoped that parents will lend their aid toward arousing a greater interest in reading in their children. Parents also have been invited to come to the library and get suggestions about books, especially Christmas gift books.

Following close after the republican city caucus, held Monday evening, the democratic city caucus is to be held, and the stage then will be practically set for the interesting biennial city election scheduled for early December.

Special trains carrying football enthusiasts will be run through this city next Saturday morning en route to the Yale-Harvard game.

A special train carrying a big delegation of members of Israel Putnam lodge of Odd Fellows will leave this city Saturday evening for Groton, where the local degree team will confer a degree on a number of candidates.

The first snow of the season came during the early hours of Monday morning, but disappeared under the rain that followed during the forenoon.

Friday afternoon of this week the Putnam High school football team will go to Plainfield to play a return game with the Plainfield High team, which was overwhelmingly defeated here recently.

Indications are that there will be steady work at textile plants in this vicinity throughout the winter period.

The meeting of the Windham County Farmers' association is to be held in this city Dec. 2. The association has several hundred members and has accomplished a great amount of good work.

SOCIALIST SUGGESTS THREE REMEDIES FOR UNEMPLOYMENT  
The unemployment problem can be helped by passing the soldier bonus bill, cancelling the European war debts, and loaning Europe two billion dollars, asserted William R. Snow of Chicago, in a lecture on Why the Unemployed? at Steiner's hall on Saturday evening under the auspices of local Norwich socialist party.

Mr. Snow, who has traveled all over the United States during the past 15 years, told of many instances of graft and waste which have come under his personal observation. He said in part: "Panics or unemployment periods have occurred a number of times since 1886. Three times under republican administration and three times under democratic rule the system has broken down. Today we have six million out of work. The present system cannot function without foreign markets. We can't sell to Europe because they have no money to pay for goods. South American markets are rapidly being captured by Germany."

There are three things the government could do to relieve the situation. Pass the soldier bonus bill which would give thousands more in distress a chance to buy the necessities of life and thereby start the wheels of industry. Cancel the European war debt and loan Europe two billion dollars. It is impossible for the United States to prosper with Europe in its present state. The capitalist system is like a pair of pants that have been patched many times. Undoubtedly the present situation will be patched up and things will go on

fairly well for a few years only to break down again. The time will eventually come when it will be impossible to do any more patching. A minority have always run the government with the consent of the majority. As long as the people are more interested in baseball, football, and prize fights than they are in economics we shall have just what we have now."

P. Young believes that he was honestly elected first selectman.

Men who took part at caucuses are said to have claimed that Mr. Young was counted out, others claim that illegal votes were cast.

It is a well known fact that a citizen of Plainfield who resides there with his family pays the personal tax assessed by Plainfield has voted here as a democrat for 15 years, several other illegal votes were cast, including two who came here from another state in April.

Friends of Mr. Young, who intend to believe that he was counted out will use all of this evidence in request to the superior court to open the October ballot box.

As to the election of Nov. 11 the claim has been raised that it was illegal for being held on a holiday proclaimed by the governor, and was not given legal notice; only two days' notice being given for the caucuses is not considered by the voters who want a recount of the October vote.

The entire town of Sterling, in fact all eastern Connecticut is interested in the peculiar mixup in this town.

Charges of illegal and irregular acts are coming in from all sources and nothing but a recount will satisfy the citizens.

Hartford.—Sergeant Daniel E. Ahern, known throughout the city as "Big Dan," is no longer merely Hartford's largest policeman. He is now the tallest policeman in the world. The papers have been hailing a New York policeman as the "tallest policeman in the world." He was said to be 6 feet 4 inches in his stocking feet. "Big Dan" promptly kicked off his shoes and, upon official measurement, registered 6 feet 7 1/2 inches in height.
